### How to find us:

Zilina – Martin – Ruzomberok – Poprad direction

From the main road turn right by the SHELL gas station, go straight through the roundabout (second exit) and continue straight (about 1 km) following the road signs for Ruzomberok Malino-Brdo ski & bike resort in Hrabovo (formerly known as SKIPARK Ruzomberok). You will arrive to the main parking lot adjacent to Hotel Hrabovo. You can see the cable way from this parking lot. **In the upper left corner of the parking lot** you will see narrow asphalt road leading up to the cabins above the parking lot. Follow this road for about 200 m and you will see Cottage Malina and Cottage Sunday on your left hand side. Both cottages are accessible by car all-year-round. We recommend to use snow chains in winter.
